## ABOUT ME

Birth July 30, 1997  
Github [www.github.com/louaib](https://www.github.com/louaib)  
Phone +961-81-216-307  
Mail [baydoun.louai@gmail.com](mailto:baydoun.louai@gmail.com)  
LinkedIn [www.linkedin.com/in/louaiB](https://www.linkedin.com/in/louaiB)

An application developer, particularly web, windows, and android apps, with a Bachelor degree in Computer Science. My main objective is to obtain a position that will allow me to apply my knowledge & further enhance my acquired skills. I am able to work in busy environments, prioritize duties, take on jobs to balance the team workload, and be cooperative and helpful as much as possible. Learning new technologies and skills quickly (and independently if needed) is a forte of mine

## SKILLS

HTML/CSS  
JAVASCRIPT

ASP.NET CORE

PHP

LARAVEL

JAVA  
ANDROID  
WINDOWS

## PROJECTS

- **Fleet Management System / Asp.net Core**  
A webapp developed for allowing a company to track its delivery vehicles. Uses live GPS feed. Provides additional statistics such as fuel consumption, optimal routes, etc
- **Agile Methodology Management System / laravel**  
A webapp developed for managing teams that work under the agile methodology. The key features are coaches being able to create projects, teams, and sending surveys to teams
- **Movies Info App / Android**  
An android app that allows the user to browse movies, search and filter, view a movie's information, and add movies to a favorites list, among other functionalities
- **Flight Reservations System / Desktop**  
A windows application developed using Java. It allows airport managers and clerks to book flights, alter flight data, generate airport statistics, and the such

## EDUCATION

- **Lebanese University Faculty of Sciences** **2016-2019**  
I took various classes aimed towards developing problem solving skills, advanced algorithm development, web application development, and many more that helped build my knowledge. My marks average at above 80%. The 3 years I spent there developed a strong foundation for me
- **Jobran Twaineh High School** **2012-2015**  
My high school years where I studied mostly math and sciences. I graduated there with a Lebanese Baccalaureate in General Sciences
